It was a beautiful late summer day on Lake Ontario. Awards were at 1600, and the Richardson Trophy was full of the traditional drink stingers for several hours after the awards presentation.

Thank to all the sailors, umpires, race committee, housing hosts, boat owners, and volunteers.

Rochester Yacht Club was proud to host the 2007 Richardson Trophy, the first time it has been an ISAF Grade 3 match race event. Next year host area Lake Superior, Wayzata Yacht Club, [www.wyc.org](http://www.wyc.org).
